Data Subscription schedule

Schedule of electronic transmissions to passenger data subscribers

All times are listed in US eastern (Washington, DC) time.

ATPCO distributes Subscriptions and provides Partner Services support for all holidays except for Christmas Day and New Year's Day. On these two holidays, online applications are available for use, but Subscriptions are not transmitted, and Partner Services support teams are not available.

INTERNATIONAL DATA TRANSMISSIONS

Subscriptions are processed every hour on the hour through the time ranges listed below. Note that subscriptions for International and US/CA Suppression of Sales for Fares and Rules Record 8 data are optional and are processed every 15 minutes during all hourly schedules, except during the ATPCO maintenance outage on Saturday evenings (no transmissions between 1701 and 0559 on Sunday).
